

Study Group on Future of International Order based on Liberalism

Subject	<p>The Kajima Institute of International Peace (KIIP), the Institute for Security & Development Policy (a Swedish think tank affiliated with the Swedish Ministry of Foreign Affairs), and the Prospect Foundation (a government-affiliated think tank in Taiwan) jointly conduct research on the future of the liberal international order from the following perspectives:</p> <ol style="list-style-type: none">1. How can Western countries deal with the rise of China and maintain/strengthen the liberal international order?2. How can Western countries maintain/strengthen their cooperation?3. How can we lead free trade, diversify, and strengthen supply chains, and promote high-quality infrastructure investment?4. How can China be prevented from invading Taiwan?5. What should Japan, Taiwan, Europe, the United States, and like-minded countries do in the coming years?
