

Society of Security and Diplomatic Policy Studies

With China becoming a superpower and a power transition taking place in the Asia-Pacific region, this study group debated, analyzed, and researched Japan's relations with countries in the region on a continuing, multilayered basis from the standpoint of national security and foreign policy, and conducted research on commission in order to make policy recommendations.

I . Meetings

- Held the 33rd, 34th, and 35th Society of Security and Diplomatic Policy Studies discussion sessions in April 2021 to discuss “Asia’s Security – Regional Power’s Security Perspective.”
- Held the 36th, 37th, and 38th Society of Security and Diplomatic Policy Studies discussion sessions in May 2021 to discuss “Asia’s Security – Regional Security Mechanism.”
- Held the three Japan-Korea joint seminars in July, August, and September 2021 together with FCI to discuss on Japan’s and Korea’s coping with the competition between US and China.
- Held the 39th, 40th, and 41st Society of Security and Diplomatic Policy Studies discussion sessions in October and November 2021 to intensively discuss “the Situation on the Korean Peninsula” three times.
